Position/s vacant with Precision Hydrographic Services (PHS)

Graduate Surveyor/Hydrographic Surveyor - more than one position available!

Starting your career with PHS is your opportunity to be part of an exciting and supportive environment.

PHS is a wholly Australian-owned and operated company. We invest in our people, growth, and shared success for all. PHS specialise in the acquisition, interpretation, and reporting of seabed information.

Due to our continued growth, PHS are continuously looking for graduate surveyor/s to join our high performing team and be part of the long-term success of new and exciting projects. By joining our team, you will be rewarded with great career opportunities, access to a highly collaborative leadership team and a great working environment which encourages work-life balance.

The successful candidate/s will be deployed for up to 180 days per year on projects within Australia. The ability and willingness to travel and work in remote and/or isolated locations is a necessity. In return, PHS will provide an above award remuneration, mentoring and training from our leaders, and every opportunity to expand knowledge in hydrography.

PHS is seeking interest from surveyors/graduates who have a curiosity for hydrography and an appetite to learn. We aim to find like-minded people who will uphold our high standards, have the same shared values as the company and the shared passion about exploring the ocean.

We want surveyors who are willing to ask questions, muck in to get the job done, and assist our survey team on a diverse range of projects.

The successful candidate/s will have numerous opportunities to apply their technical knowledge and exceptional problem-solving skills. This will ultimately give you the opportunity to progress your career to new heights.

Candidates must be able and willing to relocate to Adelaide, South Australia.

To apply, please send a cover letter stating why you are a suitable fit for PHS, together with your CV via email to rebecca.mousley@precisionhydrographic.com.au

Only candidates who have current eligibility to work in Australia will be considered.
